## Antioch to be Host to Student Councils of N.C.A. on May 13

### Convention to Hold Annual Election; Candidates Now Filing

The Northwest Conference Association of Student Councils will hold its spring convention at the Antioch Township High School Thursday, May 13.

Five new officers will be elected at this meeting to serve the conference area. They are president, first vice-president, second vice-president, secretary and treasurer. Each of the eight schools is permitted to submit a name of one candidate for each of two offices.

Candidates must be either sophomores or juniors, and the student need not be a present council member, but if elected, becomes a member of next year's council in his school.

Antioch candidates have tomorrow as the deadline for filing with the Student Council committee comprising Edwyna Chernik, Marilyn Furlan, Shirley Nelson, and Mitzi Wolfe. Credentials must be submitted and those with the name of the candidate will be submitted to the Student Council meeting next Tuesday.

It is expected that nearly 100 delegates will be present at the convention from the eight schools, Bensenville, Glenbrook, Elmhurst, Grant, Grayslake, Wauconda, Palatine and Antioch.

## Community Band Will Give Public Concert at H. School May 11

A public concert will be given by the new Community band at the Antioch Township High school Tuesday evening, May 11, Director Louis Chenette announced.

The concert will be a benefit performance to bear expenses of eight public free concerts that will be given by the band in the Antioch park bi-weekly through the summer.

"This concert will give us a chance to show the people what we are capable of, and a pre-view of what they may expect this coming summer," said Chenette.

The band is practicing weekly under an adult course arrangement at the high school. The concert for which there will be a nominal charge to the public will be at 8 p. m. in the auditorium on the date announced.

## Little League Play to Start on May 16; Practice on May 10

Practice for Little League baseball teams will start May 10, and the season will get under way May 16, officials announced today.

The Minor league will practice every Friday night, starting May 14, and the Pony League will practice every Wednesday night starting May 12.

A total of 60 games will be required this year so the last two rounds will be played every night except Friday.

Practices for the Little League will be as follows:

## Daylight Saving Sunday

The village board has made it official, so Daylight Saving time will come again to Antioch starting at 2 a. m. Sunday.

Clocks should be advanced one hour Saturday night and there may be one hour's less sleep for some Sunday.

Despite the many years that Daylight Saving has been observed in Antioch there will be those who forget and will be late for church Sunday.

Wisconsin residents who remain on Central Standard Time, usually have trouble in becoming adjusted to Antioch business hours.

## Winsor Dalgaard Will Open Food Market in New Building Here

Winsor Dalgaard, former Antioch merchant, is returning to business in this village with a new supermarket.

His store, to be known as Dalgaard's Food Mart, will occupy a new building which was started yesterday by Lester and Helen Osmond on the Barney Naber property just north of Coddington's Hardware store on Rte. 59, north of Rte. 173.

The new building will be constructed of cement block and will be 40 x 100 feet in size. There will be a parking space of 60 x 100 feet at the side.

Dalgaard has been operating an IGA store in Lake Villa since leaving Antioch several years ago, and has a new home in that village. He will continue to operate his Lake Villa store.

He expects to open his new store here about July 1.

## Dr. Preston Bradley Chosen Speaker for P. Masters' Banquet

Dr. Preston Bradley will be the speaker for the Past Masters banquet of Sequoia Lodge No. 827 A. F. and A. M. The banquet will be held at Wesley hall of the Methodist church in Antioch on Friday evening, May 7.

The banquet is an annual event for the past masters to serve as a remembrance for the services they gave to the local lodge as worshipful master.

Dr. Bradley consented coming out to speak at the banquet as far back as October of last year. He will speak on "Is Masonry a Religion?" and will be sure to give us a highly interesting evening," explained Bernard Guillaume, worshipful master. Junior Warden Robert Pincombe will be in charge of the banquet and he will be assisted by Clarence Larson and Richard Chapman, Jr.

## Outgoing Mail Again on Sunday Evenings at Antioch Office

After being without outgoing mail service on Saturday and Sunday nights for several weeks, outgoing mail has again been established for Sunday nights at the Antioch post office.

Postmaster Roy Kufalk has arranged with the Chicago postal transportation system, whereby all of the mail will be accepted on the northbound Sunday night Soo train, and that to go south will be handled from a point well up north in Wisconsin.

For weeks the village has had to go 48 hours on weekends without outgoing mail service.

Kufalk said the difficulty probably lay in the fact that the Soo Line trains didn't provide for mail handling.

## 790 Children Take Part in Easter Egg Search

Seven hundred and ninety children took part in the Easter Egg hunt of the Antioch Packing Co. last Saturday in which 210 prizes were awarded.

The grand prize of \$10 was received by Carol Hribar, 6, first grade pupil at Grass Lake school residing at Indian Point. The \$5 second prize went to Thomas Sanhamel of Main st., Antioch. A total of 133 other winners received awards ranging from 25c to \$1.

Thirteen hundred colored eggs and bubble gum plus candy Easter eggs were distributed.

## Mission at St. Peter's to Open May 9 Under Fr. Henderson's Plans

The Rev. A. J. Henderson, pastor of St. Peter's church, will sponsor a Mission. The Mission will open May 9, and close May 16. The Very Reverend John P. Dowling, director of the diocesan missionaries, will conduct the services.

It is the wish of Fr. Henderson that every Catholic in the parish attend the Mission, and all others who are interested in the teachings and practices of the church.

A Mission, according to Fr. Henderson, is a course of spiritual exercises conducted by specially trained

FR. A. J. HENDERSON

missionaries. During these exercises prayerful consideration is given to the great truths of eternity. The object of the Mission is to strengthen all in virtue and to bring down upon all the blessing of God. The Mission is a time during which God pours out on all who will, the abundance of His grace; a time we need to set ourselves right with God; a time we need to prepare for eternity, according to the local priest.

Fr. Henderson hopes that his parishioners will spread the news, tell everybody and bring everybody. He later will publish the Mission talks to be given by Father Dowling.

Fr. Henderson announced that beginning Sunday, there will be a 12 o'clock mass. All the masses—6, 8, 9, 10, 11, 12, will be on Daylight Saving Time.

## Sequoia to Play Rams at Grayslake Friday; Bensenville Saturday

With two victories and but one defeat behind them, Dick Scott's diamond men from Antioch High will play the Grayslake Rams there at 4 p. m. tomorrow and Bensenville here at 2 p. m. Saturday in a postponed game.

The Sequoia are in third place in the Northwest Conference, and will be facing the conference's unbeaten leader, Grayslake, tomorrow. Glenbrook also is tied for first place.

The Sequoia won from the Elmhurst Bears last Friday afternoon 13 to 8 after sending Don Prouty to the showers with an 8-run outburst in the second inning. Antioch added five more in the fifth at the expense of the relief pitcher, Schlicker.

Antioch got 14 hits for 19 bases, aided by El's six errors.

Featured in the eight-run second inning uprising of the Sequoia was a two-run triple by Roy Ballwanz, a two-run single by Butch Brownlee, and two-run double by Johnny Wells. Singles by Ballwanz, Mike Haviland and Tom McGreal and a double by Mark Verke featured the five-run fifth, which eventually provided the final margin of victory. Everyone in the Antioch starting lineup collected at least one hit and Hostetter, McGreal, Verke, Jack Lawrence and Ballwanz collected two each.

Verke, who started on the hill for the Sequoia, blanked the visitors on one hit during the first five innings, but the Bears finally found the range in the sixth and drove him to cover with a five-run assault. Jack Gross, Don Prouty and Don Walsh all singled in succession and Glen Chaffin delivered the knockout blow, a booming triple to right center.

Phil Vos relieved Verke at this point and got the first batter to tap meekly back to the mound, but he fumbled the ball. Phil then got the next two batters with a strike out and another tap to the mound, but two successive walks forced over one run and Gross' second hit of the inning drove over another before Prouty fouled to the catcher for the final out of the inning. Vos should have escaped without a run against him in the seventh, but two errors and hits by Walt Murphy and Herb Ward gave the visitors three more markers in the final session.

## Gigantic Community Party to be Given to Public by High School Saturday Night

## Antioch Soon to Bid for Industry Through Plan of Village Board

The village board gave initial consideration Tuesday evening to a plan to make land east of the Soo Line tracks available to industry which is much needed in Antioch.

There are 37 acres of Antioch property and with good water and sewers coupled with transportation by the Soo Line the village will have much to offer industry in the not far distant future. One industry already is anxious to locate here, according to Mayor James McMillen. The meeting was a special one in which the board passed a resolution establishing Daylight Saving time, starting April 25; gave the Salvation Army the privilege of conducting Tag Day June 11, and authorizing the clerk to write to the State Highway department asking that stop lights be placed on Rte. 173 at Rtes 59 and 21, and at the intersection of Main and Lake streets, or Rtes 59 and 21.

A parking fee will be charged for Saturday evenings until 9 o'clock as well as Friday nights after cards announcing the rule are printed for the old meters. The new meters already have that instruction. Antioch streets are said to be crowded as much on Saturday nights as Friday nights especially during the summer.

The board will again employ E. F. Laurin and Associates to audit the village books.

## Evan N. Kaye, 68 Dies Thurs. After Lingering Illness

Evan N. Kaye, 68, North avenue, Antioch, died at his home Thursday, April 15, at 5:30 p. m. following a year's illness.

He was born May 14, 1885 in Antioch township where he made his home with the exception of eighteen years, he lived in Salem township. Mr. Kaye was in the farming business, retiring several years ago.

Survivors are his wife Eva M. Kaye, nee Gray, one son, Richard W. of Antioch.

Funeral services were held at 1 p. m. Saturday at the Strang Funeral home, with the Rev. Edmond Hood of St. Ignatius' church officiating. Interment was in Liberty cemetery.

## Sixty Antioch High Students to Perform at Elmhurst Monday

About sixty students from Antioch Township High school will travel to Lake Zurich on Sunday and Monday to take part in the annual Northwest Conference Music Festival. Representatives of each of the conference schools will gather on Sunday and Monday afternoons to rehearse under famous conductors. On Monday evening the all-conference band and choir will perform for the public at 8:15 o'clock, at Elmhurst High school.

Totaling about 350 voices and 150 instrumentalists the program will be an attraction. The people of Antioch community may hear this rehearsal from the Antioch High school. Ticket sales are under the direction of the presidents of the high school music organizations: Rose Mary Larsen, Donna Martin, Tom McGreal and Fred Miller.

## Korean War Vet Tries To Use Antioch Men's Airplanes To End Life

### Daniel Jos. Walsh, Val-Mar Thought to Be Mentally Ill at Kenosha

A Korean war veteran, Daniel Joseph Walsh, 29, of Val-Mar north of Antioch attempted to end his life Monday night through crashing an airplane from the Camp Lake Airport, but was prevented doing so by Earl Arthur, Antioch business man, who was called to the scene by residents near the field.

The young man was arrested by Deputy Kermi Schreck of the Kenosha county sheriff's department and taken to Kenosha where he was placed in the mental ward of the Kenosha hospital. He was said to have been released from an asylum a year ago.

Walsh was first seen at the hangar about 11:30, but persons seeing him there thought he was one of the airplane owners.

At 1 a. m. a member of the Pankin family called Elmer Rentner and told him the landing lights of a plane was on, but he thought the owner probably was working on it and made no attempt to investigate, going back to bed.

At 6:30 a. m. Russell Burel called Earl Arthur, local radio shop owner, who has a plane there, and he investigated. He found Walsh walking about on one of the smaller planes and asked him what he was doing.

"I'm going to drive a plane up and crash it on a hill myself," Walsh said. "You can't do that, none of these planes belongs to you," commented Arthur.

"They wouldn't care, would they, if I took one," Walsh replied. With this statement Arthur realized that the danger was unaccountable for his action and notified his wife to call the Kenosha sheriff. In the meantime Schreck arrived.

Investigation revealed that Walsh first had tried to fly the Piper super-cruiser of Harry Nelson and Calvin Harden. After tearing the wires off the switch he pushed the plane onto the ramp of the hangar, but the ramp was too narrow and one of the wheels dropped off into the excavation the men had dug to pour cement in widening the ramp.

The 1,000 pound machine was too heavy for him to lift out of the excavation, so he abandoned it.

Next Walsh tried to fly the Stinson "Station Wagon" plane belonging to Elmer Rentner of Antioch. He broke a side window in trying to get in and damaged the door handle. The carburetor mixture control was set at full lean and the plane failed to start.

Next he tried the plane of Earl Arthur, but couldn't get into it, and was running around the hangar trying first one plane and then another until apprehended.

## Antioch Clean-up Week Set For May 8 To 15

Clean Up Week in Antioch is scheduled for May 8 to 15, by the village board.

During that week residents will have opportunity to clean their premises of trash and it will be hauled away.

A schedule of hauling will be announced later, Mayor James McMillen said.

It is expected that the Chamber of Commerce will fall in line with this plan by calling on the property owners not only to clean up, but to paint up and improve their premises in general.

Antioch residents have taken a general pride in their nice homes and lawns in the past.

## Fires in Cluster at Channel Lake Bluff

Fires in three residence all in the same half block at Channel Lake Bluffs claimed the attention of the Antioch Fire department during the past week.

Rarely are the firemen called to the area but Tuesday they were called to the Bruno residence on Grapevine ave. because of a chimney fire, and on Saturday night to the Tackles residence on Grapevine ave., where a space heater became too hot. Two of the residences are side by side and the third back of them on prospect ave.

Chief Edgar Simonsen investigated what appeared to be smoke at the Antioch Packing Co. store down town, and found that an ammonia tank in the refrigeration system was leaking Tuesday night.

## Cermak Back at Office

Charles Cermak, realtor, who has been ill for the past few weeks, is now able to be in his office a few hours each day.

## Principal A. L. Dittman Chosen President of Northwest Conference

Principal Albert Dittman of Antioch Township High school was elected president of the Northwest High School conference at a meeting of the eight school representatives in Elmhurst High school at Lake Zurich Wednesday, April 14. L. H. Rouse, Grayslake, was elected secretary; and Martin Zucherman, Bensenville, treasurer. Member schools are Antioch, Bensenville, Elmhurst, Glenbrook, Grant, Grayslake, Palatine, and Wauconda. The principals made final plans for the music festival at Elmhurst High school Monday.

## Otto H. Liedtke, 85, Dies at Home in Trevor

Otto H. Liedtke, 85, Trevor, Wis., died Monday, April 19, at 9:45 a. m. at his home suddenly of a heart attack. He was born March 24, 1869 at Konigsburg, Germany. He came to America in 1907, settling in Chicago, and moving to Trevor 18 years ago.

He was a member of Herder Lodge No. 869 A. F. and A. M. in Chicago. He was a retired machinist.

Survivors are his wife, Rosine, two daughters, Mrs. Rose Jetteck, Chicago, and Mrs. Amalia Poulos, New York City, one grandson and three great grandchildren.

The body rested at the Strang Funeral home until Tuesday when it was taken to the Krause Funeral home, 3905 North Lincoln Ave., Chicago, where Herder Masonic Lodge had charge of the services.

## Frank Hook, Formerly of Antioch Died April 19

Frank W. Hook, former Antioch resident, died April 19 in San Francisco and was buried there.

Mr. Hook left Antioch for California 30 years ago. He was the son of the late Mrs. C. W. Whitmore, who was a sister of the late Mrs. Mary Smart.

### Employees and Shareholders

There was all kinds of howling when the Administration proposed, in its new tax bill, to give a little relief to people who received income from investments. This, the cry went, meant fattening the rich at the expense of the poor.

President Eisenhower showed how empty that claim was, by citing the example of one of the biggest of our corporations. This concern has 300,000 workers—and practically the same number of stockholders. Only 10 per cent of those stockholders had incomes of more than \$25,000 a year. Fifty-three per cent of those stockholders had incomes of less than \$4500 a year—and \$4500 is the average annual wage of the company's employees.

As for the tax angle, the company pays 59 cents to the federal government out of each dollar it earns as profit. And more of those earnings go to government when shareholders pay their individual income taxes, under the present unjust system of double taxation.

The big point is that the majority of stockholders in all industries with widely dispersed ownership are in the small and middle-income brackets. Many of them are industrial workers, who have invested savings in the corporations which employ them, and other enterprises. Investors, far from being unduly favored, are disproportionately taxed today.

### Free Markets Make Free Men

A short time ago the Arizona Daily Star said editorially: "The cowmen of Arizona, that is, the great majority of them, speaking through the Arizona Cattlegrowers Association, have once more expressed themselves as opposed to government price controls on their product." These cattle raisers had just wholeheartedly endorsed a statement by the head of the American National Cattlemen's association that "free markets make free men, and free men make a free world."

The Daily Star described some of the undesirable results—including rigid production controls—that could be expected if government moved in. Then it concluded: "In casting their lot with the sound basic economy theory than an expanding population will continue to eat and most of it will eat meat, the cattlemen have not only built for themselves a sound future, they have provided a good example for others as well."

"Letting the market set the measure for production, rather than produce for a surplus and for waste, is still the best business method."

As for the long-term future of meat production and supply, the nation's farmers and ranchers have a tremendous job to do. By 1975, our meat produc-

tion will have to be increased by 7,000,000,000 pounds if our present consumption rate of about 154 pounds per person is to be maintained. And that is the kind of job that can only be accomplished in a free economy where men willingly risk their money, time and energy in hope of a fair reward.

### Well Deserved Recognition

Governor John S. Fine of Pennsylvania recently declared that the "welfare and security of the nation depend upon the maintenance of a healthy domestic fuels industry." He then announced that he has asked the chief executives of 15 other coal-producing states to confer with him and discuss a number of important problems the coal industry now faces.

He offered an agenda which includes: more favorable federal tax policies with reference to higher depletion allowances and better treatment of depreciation and exploration costs; encouragement of coal use in state and local public buildings; encouragement of basic research in the state universities for new uses and applications of coal; encouragement of young men in these universities for careers as mining engineers and related jobs; greater state cooperation in dealing with mine water problems; and a study of soil reclamation and conservation problems which are implicit in strip mining.

The fact that the governor of one of our principal industrial states is so greatly concerned with the welfare of coal is in itself a good indication of how important the industry is. We must have an energetic and progressive coal industry—every sign points to an expanding need for coal in the future. Yet coal has been a near-profitless enterprise at a time when most other industries have been doing well. No industry can render maximum service, and build properly for the long-range future, when that is the case.

### The Low Down From Hickory Grove

As I read the signs flitterin' in the breeze, it commenced to look as if we might be in for some clearing weather—from the thinking angle that is. Everybody has been figuring that he had to promote something new—just new, that's all, and it made page one. Like the mamas wear 'em long one year, short the next, bless 'em—our styles in thinking, when as and if we should be accused of such, it can or could take a new slant too, perchance.

Quite a passel of U. S. Congressmen are venturing to point a finger at TVA, the socialistic venture of all time within our shores. A column writer—a big time guy—in Wash., D. C., comes right out bravely and names names in the Capitol's biggest and brassiest lobby that is working on congress for more and bigger white elephants that will help further reduce us to bowing low to a Big Govt. or have our lights turned off.

Other signs. Mississippi has just passed a "Right to Work" bill. Kentucky is thinking of doing same—Alabama did it last fall along with a dozen other states. Senor Ike's Secy. of Interior, Mr. McKay is trying to keep festering expensive power projects from developing. Clearer and fairer—it could be.

Yours with the low down,  
JO SERRA

# It's New...It's The Only Gasoline With All The Extras!

Twenty years ago we introduced history's most famous gasoline additive, the D-X upper-cylinder lubricant. Now we present its successor, all-inclusive UCL-plus. A new-process upper-cylinder lubricant fortified with exclusive chemicals it's yours only in D-X. That's why D-X alone gives you all the extras!

**EXTRA protection!**—Our new D-X Ethyl with UCL-plus gives your engine super top-cylinder lubrication for protection against wear. It reduces knock caused by carbon. It helps prevent spark plug fouling, practically eliminates fuel-wasting pre-ignition!

**EXTRA antiknock!**—More antiknock is refined into new D-X Ethyl at the start. After the refining process the antiknock is boosted still higher by the addition of exclusive UCL-plus!

**EXTRA mileage!**—Check your speedometer when you first try new D-X. Check again when you refill. You'll find D-X adds up to better mileage, because it makes your engine more efficient than you ever thought possible.

**EXTRA performance!**—Faster starts, more pickup, more passing power—you've never felt the kind of performance you'll get from your engine with this new D-X Ethyl with UCL-plus!

**WE GUARANTEE IT!**—You must get all these extras and more in new D-X, or we'll refund your money. Accept our written, signed Trial Bond guarantee. Then try the only gasoline with all the extras, D-X Ethyl with UCL-plus!

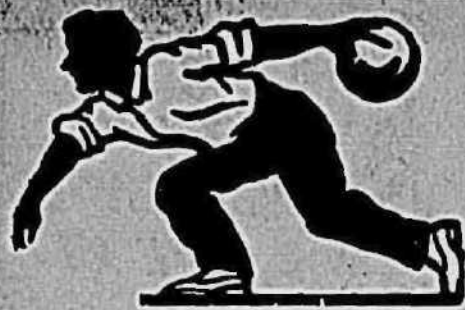

**We have the proof—Flaming Proof!**—that D-X gives you more. Get it at your nearby D-X Dealer's now!

## Make Your Own Antiques With New, Easy Patterns

The newest things in home craftsmanship are woodworking patterns for charming, handsome furniture accessories, such as the cradle the little girl is using here for her favorite dolly.

Six of these patterns—one to a box—can be found in packages of Grape-Nuts Flakes. Patterns are full size with detailed instructions, simple enough for a beginner to follow. All pieces can be made from fir plywood.

Interesting to note that the original of the cradle shown here was found in Plymouth, Massachusetts, the home of our Pilgrim forefathers.

This cradle, when not taken over by the young daughter for her doll, makes a charming holder for plants. And with Christmas not far off, it is well worth noting that any one of these homemade items would make a lovely gift. So, put dad or junior to work on these "Collector's Items."

## LAKE VILLA

The Community church was packed for both services on Easter Sunday and the early morning service at 6 o'clock was well attended. The altar was banked with beautiful plants which were the gifts of Mr. and Mrs. C. N. Dunbar, Mr. and Mrs. Bernard Knipple, Mr. and Mrs. Charles Kleinod, Mrs. Jos. Meek, Mrs. Harold Whittemore and Mrs. Kenneth McNamara in memory of their mother, Mrs. Clifford Bray; also from Mr. and Mrs. William Walker and Mrs. Helen Weber. The Thursday evening communion service and the Good Friday service were also very well attended.

The Fisherman's club will meet at the church on Thursday evening at 7 o'clock for pot luck dinner, a period of instruction and visitation. You are welcome.

Several members of the W. S. C. S. attended a meeting of the Woman's society at Millburn on Thursday afternoon, and enjoyed a luncheon and a social time.

The William Walker family, including the Everett Lucas and Edward Walkers of Libertyville, the Dick Grutzmachers of Des Plaines, and the Oliver Walkers of Lake Villa, also Charles Von Oeyen of Petite Lake Park enjoyed a family dinner with their parents, Mr. and Mrs. William Walker last Sunday.

Mr. and Mrs. C. N. Dunbar and Stanley who spent the winter months at Atlantic Beach, Fla., returned to their home in Petite Highlands late last week and are glad to be home again.

Billy and Jimmy Anderson of Skokie spent parts of last week with their grandparents, Mr. and Mrs. C. W. Reinebach and on Easter Sunday the Reinebachs were guests at the home of their daughter, Mrs. Gene Anderson and family at Skokie.

Allan Hamlin, a sophomore at Marquette U. at Milwaukee, spent a few days last week with his parents, the Lester Hamlins, and returned Monday to Milwaukee to resume his duties there.

The Royal Neighbor Officers' club enjoyed a luncheon and a social afternoon last week Wednesday with Mrs. Walter Selter at her home at Grass Lake.

Friends of Mr. and Mrs. Raymond Hussey of De Land, Fla., will be much interested to know that they welcomed their third daughter, Elizabeth Lee, on April 8 at De Land. They have two other daughters, Margaret and Joan. Raymond is the son of the late Rush Hussey and Margaret Weber Hussey Connell. Mr. and Mrs. William J. (Duke) Weber are receiving congratulations on the birth of a son, William John, who was born at the Evanston hospital on Wednesday, April 14.

The daughters of Mr. and Mrs. Gus Swanson, who are Mrs. Evelyn Bjorstedt and Mrs. Ruth Malsch of Waukegan, are holding open house at the Bjorstedt home at 507 Westmoreland ave. in Waukegan on Sunday, April 25, from 2 to 5 p. m. in celebration of their parents' golden wedding anniversary. Mr. and Mrs. Swanson now live at Glenwood,

Ark., but spent many years in this vicinity where Mr. Swanson was in business, and they will be glad to welcome their many friends on this happy occasion.

Miss Jeanne Hawkins, student nurse at St. Luke's hospital in Chicago, spent her Easter vacation at the Roy Crichton home on Rte. 50. Mr. and Mrs. B. J. Hooper and Mrs. Marie Hamlin visited Mrs. Anna Belek who lives at a rest home at Platakee Bay near Fox Lake last Saturday afternoon. Mrs. Belek is aunt of Mrs. Hamlin.

Mr. and Mrs. Edwin Krook and Mary Kay of Grand Rapids, Mich., came Saturday and were guests of Mrs. Krook's parents, Mr. and Mrs. Albert Kapple on Easter Sunday.

Mr. and Mrs. Will Fish who live east of the Village and Mr. and Mrs. Jake Fish and Jimmie were guests of Mr. and Mrs. Chester Hanrann,

nee Evelyn Fish, and family on Easter Sunday.

This is the 1954 Chevrolet Bel Air 2-Door Sedan. With 3 series, Chevrolet offers a model to meet every individual and family need.

These facts about the New Chevrolet  
can help you make an important decision

Don't you agree that buying a new car calls for careful consideration? Regardless of make, it involves a substantial amount of money and a lot of future satisfaction. This information can give you a better idea of comparative value and help you decide which make to buy.

A good customer of ours was telling us the other day how he sizes up a new car. Because he's bought a number of them over the years, we were interested in what he had to say. We think you will be, too.

Actually, what he does is to ask about seven basic questions. The answers give a pretty complete picture of the car and its comparative value. Here's what he wants to know.

How well do I like its looks?

That's one question, of course, that only you can answer. You're the one who buys the car and you, above anybody else, should be proud of its appearance.

All we can tell you is that we hear a lot of nice things about Chevrolet's new styling. People seem to like the new front-end and rear-end designs, and the way the bumpers curve even farther around the fenders. They like the new styling touches all around the car and the wide choice of bright new colors and two-tone combinations. A good many tell us that Chevrolet has a decided edge over the other cars in its field for smooth and graceful lines.

Who makes the body?

This question takes in much more territory than the appearance of the car. It involves the quality of the

interior as well as the strength and safety of the body construction. That's why we think it worth your consideration that Chevrolet has the only Body by Fisher in the low-price field.

You can see the difference outside and inside. We'd especially like you to look over the new interiors. Just sit in the car, if you will. Feel the quality of the fabrics and notice the more generous use of vinyl trim.

In all these ways, you'll find evidence of superior quality and workmanship. And after all, isn't that what you would expect in Body by Fisher? As you know, Fisher is the largest and most famous manufacturer of automobile bodies in the world. Doesn't it stand to reason that Fisher can build extra quality into the Chevrolet body? It's there and you can see it.

What's under the hood?

You hear a great deal of talk these days about engine power. The truth is that the number of horsepower isn't nearly as important as what the horsepower does for you.

In this year's Chevrolet, you get increased power in two finer engines. There's the "Blue-Flame 125" engine teamed with Powerglide automatic

transmission and optional on all models at extra cost. In gearshift models, you get the more powerful "Blue-Flame 115" engine.

But, actually, the increase in horsepower is only a sort of by-product of design changes made for other reasons. Chevrolet engineers were after greater engine efficiency, not just greater power. So, you get improved acceleration, with greater and safer passing ability. You get quieter, smoother operation. You climb the steep hills with new ease.

How hungry is it for gasoline?

A car's reputation for, and record of, economy of operation is certainly an important consideration to most people. We'd be glad to have you compare Chevrolet in this respect with any car at any price.

And, in the case of this new Chevrolet, you do not have to sacrifice economy for finer performance and more horsepower. That's because the Chevrolet engines are high-compression engines. Their compression ratio of 7.6 to 1 is the highest in any of the leading low-priced cars.

This means simply that the engine compresses, or squeezes, the fuel mixture to a greater degree in order to wring more work out of it. That's how Chevrolet is able to give you an important gain in performance along with money-saving gasoline mileage—and on regular gas, of course.

Is it up to date in features?

We can't think of a new feature or development you might want that you can't have on the new Chevrolet.

Now you can have Chevrolet's zippy and thrifty Powerglide automatic transmission on any model. You can have Power Steering on all models and at a new, lower price. You can have Automatic Window and Seat Controls on any Bel Air or "Two-Ten" model, and you can have Power Brakes on any model equipped with Powerglide. All are, of course, optional features at extra cost.

How popular a car is it?

When you come right down to it, there's no better way to judge the satisfaction a car gives its owners than by its popularity. How many people buy it and keep on buying it?

Well, as you may know, Chevrolet is by far the most popular car in this country. That's true today and it's been true for a good many years now. But it couldn't be true—or wouldn't be true—unless Chevrolet gave its owners an extra measure of satisfaction and value.

How much does it cost?

There's a short, sweet answer to that one: Chevrolet is priced below all other lines of cars. This lower cost is made possible by the greater production facilities and purchasing power of the world's largest manufacturer of automobiles. That's why Chevrolet can offer you all the advantages we've told you about here—and many more, too.

We'd be more than glad to have you see all these things for yourself and to try out this new Chevrolet on the road. We'll be happy to see you at any time.

## Woman's Club Hears Mrs. De La Pointe Discuss Table China

Members of the Antioch Woman's club are more familiar with the history of Wedgewood and Haviland china as the result of the talk given before them at 1:30 p. m. Monday at the Scout House by Mrs. G. Z. de La Pointe, social director at the Edgewater Beach hotel in Chicago.

Mrs. de La Pointe devoted much of her discussion to her own fine American made China, classifying Antioch's Pickard-made as one of the finest.

She had many samples of the different companies including pottery, and suggested color and kinds of table linens to use with them in "color correlations."

The hostess committee comprised Mrs. Joe Horton, chairman, and Mesdames W. A. Aschenbrenner, Lester Osmond, Thomas Pechousek, P. E. Chinn, Ted Larson, and J. E. Dompke.

## Gresens-Sass Engagement Announced Easter Sunday

Cupid shared honors with the Easter bunny Sunday in the Antioch home of Mr. and Mrs. Edward Gresens when they announced the engagement of their daughter, Jerrie, to George Sass, son of Mr. and Mrs. George Sass, Sr. of Petite Lake. No wedding date has yet been set.

## Officers Selected by County Home Bureau At Libertyville Apr. 13

Libertyville—Mrs. Alfred Clark of Zion was elected president of the Lake County Home Bureau at the twenty-second annual meeting here Tuesday, April 13. She succeeded Mrs. Homer Cook of Waukegan.

Other officers chosen were Mrs. Delbert Sherwood, Lake Villa, vice president; Mrs. George Dalziel, Gurnee, secretary; and Mrs. Donald Brown, Mundelein, treasurer.

Directors chosen were Mrs. Harold Gerry, Gurnee; Mrs. Clarence Spiering, Antioch; Mrs. Calvin Bracher, Libertyville; Mrs. Roy Fleming, Mundelein; Mrs. Frank Kaiser, Wadsworth; Mrs. Barney Gross, klags, Barrington; Mrs. John Vondracek, Mundelein; and Mrs. Alvin Ringe, Wadsworth.

## Mr. and Mrs. Jerde Announce Engagement of Daughter, Dawn

Mr. and Mrs. Martin Jerde, Wilmet, Wis., announce the engagement of their daughter, Dawn Arlene, to Ferdinand John Arthur Jahns, son of Mr. and Mrs. Arthur Jahns of Rte. 3, Burlington, Wis. No immediate wedding plans have been made.

## MISS McMILLAN HONORED GUEST AT BRIDAL SHOWER

Miss Ann McMillan was honored guest at a bridal shower given by Misses Mary Vos and Patsy Keulman recently at Antioch Fire station. Decorations were carried out in orchid, white and pink. Forty-five guests were served luncheon from a beautifully decorated table by the hostesses. Miss McMillan received many lovely and useful gifts from the group. Miss McMillan, daughter of Mr. and Mrs. J. W. McMillan, will become the bride of Mr. John Kacacek of Chicago in ceremonies May 15 at St. Peter's church.

Parents of Son  
Mr. and Mrs. William Vos are the parents of a son, "Steven William," born April 7 at Victory Memorial hospital, Waukegan.

## Receives Scholarship To Marquette University

John Topercer, Jr., son of Mr. and Mrs. John Topercer, Sr., of Indian Point, who will graduate from Campion school at Prairie du Chien, Wis., cousin in law, was recently awarded a scholarship to Marquette University at Milwaukee.

## Emmons School Mothers To Sponsor Card Party

The Emmons school mothers' club plans to sponsor a card party Friday, April 30, at 8 p. m. at the school. Mrs. James Healy, president of the club will serve as general chairman. Mrs. Frank Nejdil and her committee will have charge of the kitchen.

Mr. and Mrs. Henry Homah returned home recently after spending the past three months in Venice, Florida.

## O. E. S. Officers Club To Sponsor Card Party

Members of Antioch Chapter Order of Eastern Star officers club will sponsor a public card party May 1 at the Masonic hall. A luncheon will be served following the card games.

## Club Receives Citation

Antioch Woman's club was honored this week by receipt of a citation for services to veterans in VA hospitals. The citation, which was accepted by members of the rehabilitation committee of the club read in part: "Certificate in recognition of volunteer service in behalf of the veteran patients, through the Veterans' Administration volunteer service program."

## Frank Bellrose Will Address Lions Monday On Migratory Waterfowl

Frank Bellrose, head technician of the Illinois Natural History Survey, will show pictures of and narrate his personal experiences with water fowl before the Antioch Lions Club at 7 p. m. Monday at Smart's Country House.

His subject will be "Migratory Waterfowl." Brought to Antioch by William Brook, Bellrose as an authority on waterfowl may be expected to present an interesting program. Because Antioch is situated in the heart of the lakes region, outdoor sports are important to most of the members of the club. This is regarded as the high point of the year in sports programs, and a large attendance is expected.

Bellrose will come to Antioch from Havana, Ill.

## A.T.H.S. Juniors-Seniors Plan Prom for May 8; Committees Appointed

Plans are progressing for the Junior-Senior Prom, "A Night to Remember," at Antioch Township High school Saturday, May 8 in the main gymnasium.

The junior class has appointed its committees and chairmen who are all working to make this prom a big success.

Chairmen are as follows: Marilyn Furlan, decorations; Joyce Carlson, publicity; Marlene Bolton, invitations and programs; Diane Van Holst, queen and court; Mike Haviland, clean-up, and Butch Brownlee, dance.

Every Tuesday and Wednesday nights the decoration committee meets to discuss and carry out their plans. Chosen to reign as Queen is Marilyn Furlan, and her Court consists of Rosemary Wolf, Barbara Smith, Jo Anne Quilty, and Garnet Seyfarth. An attraction of the evening will be Dick Carlton's band.

All parents are invited to attend and outside guests or underclassmen must be accompanied by a Junior or Senior.

Marine Pfc. Donald L. Klier, son of Mrs. Mildred J. Klier of Loon Lake, Antioch, is participating in shipboard training exercises aboard the heavy cruiser U. S. S. Bremerton.

Mr. and Mrs. George Grunow, Jr., spent the week end in Chicago.

## Auxiliary News

Antioch Unit No. 748, American Legion Auxiliary will meet Friday, April 23, at 8 p. m. in the Legion Home. This will be a business and social meeting with Mrs. Del Jahneke and committee in charge of the evening's entertainment.

All unit chairmen are asked to send their reports for January, February and March to their district chairman within the next few days.

**Poppy Day**  
Once again the American Legion Auxiliary is preparing for the sale of poppies on May 21-22. Poppy posters are being made by pupils in the schools to be entered in the poster contest. To meet the extensive demands of the great service program for the promotion of veterans' welfare and their happiness, the Auxiliary needs the united effort of all in the poppy program this year.

**Wooden Church Crusade**  
The National organization of the American Legion Auxiliary will construct one entire church under the project. Illinois auxiliary is leading the nation in the amount of contributions so far, with a total of more than \$3,000. Antioch Unit has contributed to this project.

**Tenth District Sponsors Garrick Players**

The Tenth District American Legion Auxiliary is having its annual spring party on May 2, but instead of the usual card party, the district is sponsoring the Garrick Players in a play, "Murder Has Been Arranged," to be given at Lake Forest College Sunday, May 2, at 7:30 p. m. The Garrick Players are a widely known group of players and this play promises to be one of their best.

Antioch unit has tickets for the play and they may be obtained from Mrs. Dorothy Horan, 413 Orchard st., or Tel. 645-W. Mrs. Louise Erickson, president of Antioch unit, who at present is vacationing in Arizona, hopes that as many as possible from Antioch community will attend the play.

## Methodists Giving Eggs

Fresh eggs will be received at the morning service of the Methodist church Sunday for contribution to the Wesley Memorial hospital, Chicago.

Collection of eggs at the Easter season for the Methodist hospital has become traditional and as many as 100 dozen were received last year.

## Easter Egg Hunt Attracts Many

Top Picture—Youngsters lined up at the barrier before the Easter egg hunt started last Saturday at 2 p. m. Only a part of the 790 entries are shown in the picture. Inset shows the happy winner of the \$10 grand prize, Carol Hribar, 6 years old, of Grass Lake. Bottom picture shows the line-up of winners waiting their turn to collect prize money at the Antioch Packing Company downtown store, sponsors of the event.

## School Officers Re-elected

The canvass of votes of the April 10 election was made by the high school board of education at its regular meeting this past week. Fred Scott and Louis Biel received the greatest number of votes cast and were duly declared the elected members to the board for a full term. The newly elected members were then administered the oath of office.

During the organization meeting Fred Scott was elected to serve again as president of the board. Louis Biel was elected secretary. Both Scott and Biel have served in these capacities for the past several years.

Mrs. Margaret Moorman was re-appointed secretary to the secretary of the board.

## Library News

Maps are of primary importance in studying the development of the United States. From the days of discovery and colonizing to the recent past, maps have traced the exploration and westward expansion, campaigns of our wars, and additions to our territory. "Atlas of American History" was compiled by 64 historians, under the editorial supervision of James Truslow Adams, to place in one volume a complete map history of the United States. "Atlas of American History" is on the reference room shelf of the Antioch Township Library in memory of Dr. R. D. Williams.

America's number 1 houseplant, the African violet, has so many lovely varieties that a general book on houseplants couldn't hope to cover them all adequately. Helen Van Pelt Wilson has given us the story of their propagation and care in "The Complete Book of African Violets." The book is available at the library in memory of Mrs. Thelma Vose.

### Spring Music Festival Of Antioch High School April 30 Year's Climax

The curtain will rise on Antioch High School's Annual Spring Music Festival at 8 p. m. Friday, April 30, presenting 150 students in song and instrumental numbers.

The Spring Festival Music Concert is the climax of the year for the high school music department. Here the listener hears the best of the year's work. Every effort is made by the young musicians to pass on to the audience the thrill that has been theirs singing great music.

This year's program promises a variety of music to appeal to every listener. You will laugh to the strains of "Spookie Boogie Hop" and "I'm Gonna Wash That Man Right Out of My Hair." You will tap your foot to rhythmic band music. You will be inspired by thought of God in "Alleluiah, Glorious Is Thy Name" and the finale "All Glory, Laud and Honor."

Tickets are being sold by high school music students. Officers of the participating music organizations are: Girls Glee club, Rose Marie Larsen, president; Marcia Hogan and Edwyna Chernik, A Cappella choir, Tom McGreal, president; Donna Reidel and Wendy Midgley, Band; Donna Martin, president; Lynn Bolton and Richard Huml.

### Cancer Drive Off To a Good Start

"The April Cancer Crusade of the Lake County Unit of the American Cancer Society is off to a good start," said Dr. M. J. McAndrew, chairman of the Lake county drive. "At the end of ten days we have reached over one-third of our goal of \$33,950 for the county," he added.

"Six communities," Dr. McAndrew stated, "have already reached over 50 per cent of their quota. These include Fox Lake-Ingleside-Long Lake, Deerfield-Bannockburn, Highland Park, Lake Bluff Libertyville and Winthrop Harbor. All of us working on the drive wish to express our appreciation to those who have already responded to our appeal for funds to help the year-round work of the American Cancer Society.

The money we collect is used for a three-way program of research, education and service to patients. Research will eventually find the cause and cure of America's Number Two Killer—and man's cruellest enemy. Education of the public can lead to early detection—and early detection can often mean a complete cure."

"Because cancer will strike one in five persons, we can strike back with our donations of money. We know that many residents of Lake county have thought about a gift to the Society, but may have temporarily put it off. We especially urge them to send in their contribution as soon as possible so that Lake County can take its place in the list of areas that have reached 100 per cent, or more, of their goal."

Those wishing to mail in a contribution may do so simply by addressing an envelope to "CANCER" in care of their local post office.

### Antioch High Thinlies Second at Glenbrook, At Bensenville Next

Antioch High passed up the Palestine relays this week and will participate in a track meet at Bensenville next week instead, according to Coach Paul Kessenich.

A meet with Grant High there Tuesday night was called off on account of a wet field.

The last time Paul Kessenich's thinlies had a chance to perform was a week ago yesterday at Glenbrook where both the varsity and frosh-soph teams finished second in a triangular meet with Glenbrook and Grant. Glenbrook was first by a wide margin and Grant third.

In this meet Chuck Behrendt took first in the 100-yard dash, and fourth in the 220-yard dash; Ben Floyd got first in the pole vault, second in the high hurdles and fourth in the low hurdles; Bob Langosch got second in the 440-yard dash; George Halverson, got fourth in the half mile; Fritz Bauman, second in the shot put and third in the discus; Fred Miller got third in the high hurdles and fourth in the shot put; and Vernon Burdick got second in the pole vault. The relay team, comprising Langosch, Behrendt, Schroeder and Floyd won second place.

Don Schroeder running for the frosh-soph team, drew a first place in the 100-yard dash and fourth in the 220-yard dash as high point man.

### Fathers Asked to Help Construct Ball Grounds

When father grabs his shovel and rake about 9 a. m. Sunday, it doesn't necessarily mean he is going to do a bit of gardening.

Chances are he is heeding the invitation to go to the Little League baseball park where fathers of the boys and others will work at the construction of the new playing field.

A benefit card party for the Little League, Minor League and Pony League is also scheduled for Saturday night at the Grade school. Refreshments will be served.

### Elected IBA Director

Walter L. Dopheide

Walter L. Dopheide, 12 Third Avenue, Lake Villa, has recently been elected to the board of directors of the Insurance Brokers Association of Illinois. In the insurance business for 37 years, Mr. Dopheide has his offices located in the Insurance Exchange Building, Chicago.

Although he has had his home in Lake Villa for quite some time, Mr. Dopheide just recently moved there to live on an all-year-round basis. He had lived in Des Plaines previously, where he served as alderman for a period of time, and more recently in Chicago.

Explorer's Wife (accepting her husband's helmet and gun that had been found in the jungle): "Poor Henry! Something he disagreed with ate him!"

### Make Trip to Chicago

The Home Economics class and the Salesmanship class of Antioch Township High school went by bus to Chicago yesterday and after witnessing the board of trade in action toured Marshall Fields store, and saw a style show there. The 30 students were chaperoned by Mrs. Veva Buchholz and Warren Polley, their teachers.

## Dispelling the Shadow of "Doubt"

Like doubting Thomas, mankind largely remains incredulous that Jesus' healing work was the action of divine law, and doubts that prayer can heal today.

This doubt can now be honestly dispelled. To any sincere seeker there is proof, ample, abundant, and at hand, that the law of God is available for every need.

## SCIENCE AND HEALTH with Key to the Scriptures by Mary Baker Eddy

shows how to find for oneself God's healing power, how to know and understand the truth which Jesus promised would "make us free."

As one gains this priceless knowledge of the Christ, health and happiness ascend to the realm of unshakable certainty.

This stunning "hardtop" model is the Buick Special Riviera—V8 powered, and priced just a few dollars above similar models of the "low-price three's"

## TAKE THE WHEEL—just for the joy of it

(Another big reason for trying a '54 Buick)

UNLESS you've tried it yourself, you're going to find it hard to believe.

But when you press the pedal of a 1954 Buick with Twin-Turbine Dynaflo,\* joy reigns—and so do you.

You feel the joyous thrill of commanding instant response, the solid "take hold," the firm authority of your acceleration.

You feel a joyous exhilaration at the utter smoothness of the forward carry—a completely infinite smoothness that is there every inch of the way.

And you feel a deep and abiding joy at the simplicity of it all, the ease with which you drive, the blessed restfulness of travel with a truly automatic transmission working its wonders.

As we said, you'll find this hard to believe—until you try it yourself.

Until you try TT Dynaflo with the stepped-up V8 horsepower of the 1954 Buicks. Until you try it with the new buoyancy and the new handling sureness of the improved Million Dollar Ride. Until you try it with the new visibility,

the new luxury, the new "look of tomorrow" styling that are part and parcel of every 1954 Buick.

So, we want you to be our guest at the wheel of a 1954 Buick with Twin-Turbine Dynaflo this week.

During April, 1,500,000 people will guest-drive the 1954 Buicks, and join the Thrill Of The Month Club by doing so. We cordially invite you to join them, for a real thrill. Call us today.

### Students to Campaign For Council Election Set for Tuesday, May 11

An election for office of the Antioch Township High School Student Council will be held May 11, Mrs. Jeanette Tulumello, faculty adviser announced yesterday.

Offices to be filled are the president, secretary, and class representatives.

This year's freshmen and juniors will elect two girls and a boy, and the sophomores will elect two boys and a girl to represent them on the council when they advance a class next year.

Candidates will file petitions and those running for president or secretary will campaign for office between May 4 and 10, climaxing their campaign in general assembly on May 10.

**Alsing Elected Union Steward**  
George H. Alsing, 407 Orchard st., was elected steward of the Dairy Employees Union, local 754 Tuesday by members of the union employed at the Willowdale Dairy in Antioch. Alsing has been associated with the Willowdale Dairy as office manager for the past three years and has made many friends in Antioch. His home is in Maywood, Ill.

**More Gas for Heating**  
Northern Illinois Gas Company reported today to the Illinois Commerce Commission that letters would be mailed out this week to approximately 27,000 customers authorizing them to install gas furnaces under the terms of the Commission's gas restriction order. The 27,000 who will receive authorizations are at the head of the company's gas heat waiting list.

**Contributions Forgotten**  
Mrs. John Dupre, chairman of the Antioch campaign for the American Cancer Society today reminded those who have forgotten to make their contributions to leave them at the post office with Postmaster Roy Kufalk. Receipts to date are \$221.50 and the goal is \$600. Mrs. Dupre is anxious to close the campaign by the end of April.

Mrs. Lois Peterson of Lake Catherine is spending the week in Chicago.

Mr. and Mrs. Roy Slaughter of Channel Lake were guests of friends in Brookfield, Sunday.

### Dream Kitchen Come True

Soon you, like this modern Alice, may have a push-button palace for a kitchen. This waist-high refrigerator (left) and food freezer (partially shown at right) are in Frigidaire's experimental "kitchen of tomorrow." Panel doors of these matching appliances glide apart vertically at touch of button. Another appliance (not shown) serves ice cubes, crushed ice, and cold water. Range in this carefree kitchen is flanked by two ovens which rise automatically from counter level to handy waist level. Food mixer disappears into counter when not in use. Wall cabinets glide down within easy reach at "wave of the hand." These and many more mechanical marvels were built into this operating kitchen by General Motors designers and Frigidaire engineers to test new ideas and make them practical for everyday use.
